About College

The dawn of globalization, liberalization and privatization in India gave impetus not just to the much-needed economy but also to technical education. India can now boast of having the third largest pool of scientific and technical manpower in the world. The network of technical institutions which now span the country came into being in the 1990's. At present India is a leading force to reckon with in the fields of Software industry, Space science, Biotechnology, Nuclear science. At Dr.V.R.K.Women's College Of Engineering And Technology (DRVRKW), we keep that light of the nation ablaze. The institution, ever since its foundation in 2002 is in the constant pursuit of keeping high and self-imposed standards of excellence. QUALITY, MODERNITY AND HIGH DEGREE OF SCIENTIFIC TEMPERAMENT pervade every facet of the institution, be it technical education, laboratories, or infrastructure facilities. The campus is the abode of discipline, harmony and intellectual pursuit and abuzz with intense academic activity.

About EDC

Entrepreneurship Development Cell strives to inspire and integrate a culture of innovation through a conducive entrepreneurial ecosystem to help budding entrepreneurs realize their dream to start up their own enterprises. It refines the entrepreneurial skills like idea generation, opportunity evaluation, business modeling, cash flow, forecasting, negotiation & sales skills through hands on training, programs, mentoring and campus startups

About College

The dawn of globalization, liberalization and privatization in India gave impetus not just to the much-needed economy but also to technical education. India can now boast of having the third largest pool of scientific and technical manpower in the world. The network of technical institutions which now span the country came into being in the 1990's. At present India is a leading force to reckon with in the fields of Software industry, Space science, Biotechnology, Nuclear science. At Dr.V.R.K.Women's College Of Engineering And Technology (DRVRKW), we keep that light of the nation ablaze. The institution, ever since its foundation in 2002 is in the constant pursuit of keeping high and self-imposed standards of excellence. QUALITY, MODERNITY AND HIGH DEGREE OF SCIENTIFIC TEMPERAMENT pervade every facet of the institution, be it technical education, laboratories, or infrastructure facilities. The campus is the abode of discipline, harmony and intellectual pursuit and abuzz with intense academic activity.

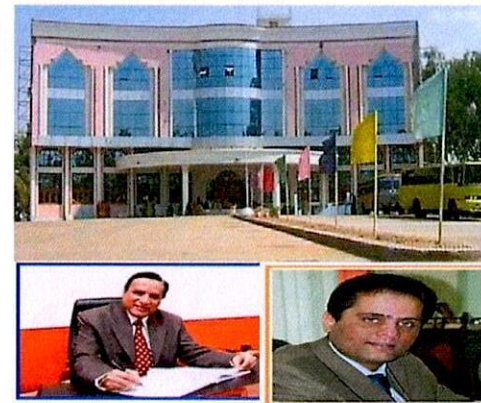

About EDC

Entrepreneurship Development Cell strives to inspire and integrate a culture of innovation through a conducive entrepreneurial ecosystem to help budding entrepreneurs realize their dream to start up their own enterprises. It refines the entrepreneurial skills like idea generation, opportunity evaluation, business modeling, cash flow, forecasting, negotiation & sales skills through hands on training, programs, mentoring and campus startups

Name of the Programme: Plagiarism in journals and books

Report:

This programme was organized by the department of CSE for our students. Welcome address was delivered by , Head of the department CSE and the presidential address was delivered by Dr Sasi, Principal .The gathering was facilitated by Prof .Kalamani

The resource person Prof. Dr.R.Nagarajan Associate professor of our department explained the objective of the workshop and delivered the lecture about plagiarism in journals and books He said that Attempting to use the ideas, words, or work done earlier by another person, without giving them due credit, is considered extremely unethical and is termed plagiarism. Added to that he also mentioned that when an author reuses complete or portions of their pre published research, then it is known as self-plagiarism. Complete self-plagiarism is a case when an author republishes their own previously published work in a new journal.

The students interacted with the resource person and finally .Dr. Sasi, Principal thanked the gathering.

About College

The dawn of globalization, liberalization and privatization in India gave impetus not just to the much-needed economy but also to technical education. India can now boast of having the third largest pool of scientific and technical manpower in the world. The network of technical institutions which now span the country came into being in the 1990's. At present India is a leading force to reckon with in the fields of Software industry, Space science, Biotechnology, Nuclear science. At Dr.V.R.K.Women's College Of Engineering And Technology (DRVRKW), we keep that light of the nation ablaze. The institution, ever since its foundation in 2002 is in the constant pursuit of keeping high and self-imposed standards of excellence. QUALITY, MODERNITY AND HIGH DEGREE OF SCIENTIFIC TEMPERAMENT pervade every facet of the institution, be it technical education, laboratories, or infrastructure facilities. The campus is the abode of discipline, harmony and intellectual pursuit and abuzz with intense academic activity.

About EDC

Entrepreneurship Development Cell strives to inspire and integrate a culture of innovation through a conducive entrepreneurial ecosystem to help budding entrepreneurs realize their dream to start up their own enterprises. It refines the entrepreneurial skills like idea generation, opportunity evaluation, business modeling, cash flow, forecasting, negotiation & sales skills through hands on training, programs, mentoring and campus startups

Academic Year 2018-19 Event Report

Event name	Workshop on “ PHP and MYSQL”
Date	23-12-2020
Participated by	Students
Venue	Main Lab
Resource Person	Prof.Dr. Mr K Manikandan Kumar Designation:Associate Professor
Mobile No	+918106942891
Email	dr.manikandan@gmail.com

In this Program, we discuss the PHP and MYSQL Programming and its application. In particular we focus on analyzing and coding. The application has a feature like taking some time from the user and system interaction. The demo applications are very useful for gathering depth knowledge in PHP and MYSQL.

The students interacted with the resource person and finally thanked the gathering by the Principal of DR.VRKWCET.

EVENT BROUCHURE

Webinar on "Entrepreneurship Orientation Programme"

19 & 20 JAN 2019

Venue: Zoom Meeting

Objectives

The Objectives of Entrepreneurship are

1. Develop and strengthen the quality of entrepreneurship.
2. Removing unemployment.
3. Enhancing industrial development.
4. Developing industrially backward region.
5. Select a project or product.
6. Formulate the project.
7. Understand the process and procedure involved in setting up small units.
8. Know the sources of help and support

Chair Person

Mr. Sha Alam Rasool Khan

About the Webinar

The objective of promoting entrepreneurship among the youth to nurture a passion for self-employment. This will open gates for creation of new knowledge-based innovative hi-tech ventures, industries and new breed of technopreneurs and more avenues of employment opportunities thus turning job seekers into job creators and in the process, leading the nation towards industrial excellence and self-reliance

About College

The dawn of globalization, liberalization and privatization in India gave impetus not just to the much-needed economy but also to technical education. India can now boast of having the third largest pool of scientific and technical manpower in the world. The network of technical institutions which now span the country came into being in the 1990's. At present India is a leading force to reckon with in the fields of Software industry, Space science, Biotechnology, Nuclear science. At Dr.V.R.K.Women's College Of Engineering And Technology (DRVRKW), we keep that light of the nation ablaze. The institution, ever since its foundation in 2002 is in the constant pursuit of keeping high and self-imposed standards of excellence. QUALITY, MODERNITY AND HIGH DEGREE OF SCIENTIFIC TEMPERAMENT pervade every facet of the institution, be it technical education, laboratories, or infrastructure facilities. The campus is the abode of discipline, harmony and intellectual pursuit and abuzz with intense academic activity.

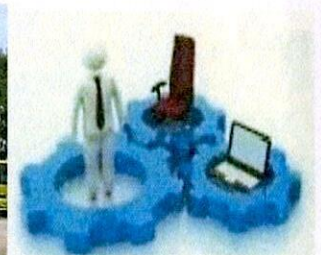

About EDC

Entrepreneurship Development Cell strives to inspire and integrate a culture of innovation through a conducive entrepreneurial ecosystem to help budding entrepreneurs realize their dream to start up their own enterprises. It refines the entrepreneurial skills like idea generation, opportunity evaluation, business modeling, cash flow, forecasting, negotiation & sales skills through hands on training, programs, mentoring and campus startups

About College

The dawn of globalization, liberalization and privatization in India gave impetus not just to the much-needed economy but also to technical education. India can now boast of having the third largest pool of scientific and technical manpower in the world. The network of technical institutions which now span the country came into being in the 1990's. At present India is a leading force to reckon with in the fields of Software industry, Space science, Biotechnology, Nuclear science. At Dr.V.R.K.Women's College Of Engineering And Technology (DRVRKW), we keep that light of the nation ablaze. The institution, ever since its foundation in 2002 is in the constant pursuit of keeping high and self-imposed standards of excellence. QUALITY, MODERNITY AND HIGH DEGREE OF SCIENTIFIC TEMPERAMENT pervade every facet of the institution, be it technical education, laboratories, or infrastructure facilities. The campus is the abode of discipline, harmony and intellectual pursuit and abuzz with intense academic activity.

About EDC

Entrepreneurship Development Cell strives to inspire and integrate a culture of innovation through a conducive entrepreneurial ecosystem to help budding entrepreneurs realize their dream to start up their own enterprises. It refines the entrepreneurial skills like idea generation, opportunity evaluation, business modeling, cash flow, forecasting, negotiation & sales skills through hands on training, programs, mentoring and campus startups
