About College

The dawn of globalization, liberalization and privatization in India gave impetus not just to the much-needed economy but also to technical education. India can now boast of having the third largest pool of scientific and technical manpower in the world. The network of technical institutions which now span the country came into being in the 1990's. At present India is a leading force to reckon with in the fields of Software industry, Space science, Biotechnology, Nuclear science. At Dr.V.R.K.Women's College Of Engineering And Technology (DRVRKW), we keep that light of the nation ablaze. The institution, ever since its foundation in 2002 is in the constant pursuit of keeping high and self-imposed standards of excellence. QUALITY, MODERNITY AND HIGH DEGREE OF SCIENTIFIC TEMPERAMENT pervade every facet of the institution, be it technical education, laboratories, or infrastructure facilities. The campus is the abode of discipline, harmony and intellectual pursuit and abuzz with intense academic activity.

About EDC

Entrepreneurship Development Cell strives to inspire and integrate a culture of innovation through a conducive entrepreneurial ecosystem to help budding entrepreneurs realize their dream to start up their own enterprises. It refines the entrepreneurial skills like idea generation, opportunity evaluation, business modeling, cash flow, forecasting, negotiation & sales skills through hands on training, programs, mentoring and campus startups

About College

The dawn of globalization, liberalization and privatization in India gave impetus not just to the much-needed economy but also to technical education. India can now boast of having the third largest pool of scientific and technical manpower in the world. The network of technical institutions which now span the country came into being in the 1990's. At present India is a leading force to reckon with in the fields of Software industry, Space science, Biotechnology, Nuclear science. At Dr.V.R.K.Women's College Of Engineering And Technology (DRVRKW), we keep that light of the nation ablaze. The institution, ever since its foundation in 2002 is in the constant pursuit of keeping high and self-imposed standards of excellence. QUALITY, MODERNITY AND HIGH DEGREE OF SCIENTIFIC TEMPERAMENT pervade every facet of the institution, be it technical education, laboratories, or infrastructure facilities. The campus is the abode of discipline, harmony and intellectual pursuit and abuzz with intense academic activity.

About EDC

Entrepreneurship Development Cell strives to inspire and integrate a culture of innovation through a conducive entrepreneurial ecosystem to help budding entrepreneurs realize their dream to start up their own enterprises. It refines the entrepreneurial skills like idea generation, opportunity evaluation, business modeling, cash flow, forecasting, negotiation & sales skills through hands on training programs, mentoring and campus startups

About College

The dawn of globalization, liberalization and privatization in India gave impetus not just to the much-needed economy but also to technical education. India can now boast of having the third largest pool of scientific and technical manpower in the world. The network of technical institutions which now span the country came into being in the 1990's. At present India is a leading force to reckon with in the fields of Software industry, Space science, Biotechnology, Nuclear science. At Dr.V.R.K.Women's College Of Engineering And Technology (DRVRKW), we keep that light of the nation ablaze. The institution, ever since its foundation in 2002 is in the constant pursuit of keeping high and self-imposed standards of excellence. QUALITY, MODERNITY AND HIGH DEGREE OF SCIENTIFIC TEMPERAMENT pervade every facet of the institution, be it technical education, laboratories, or infrastructure facilities. The campus is the abode of discipline, harmony and intellectual pursuit and abuzz with intense academic activity.

About EDC

Entrepreneurship Development Cell strives to inspire and integrate a culture of innovation through a conducive entrepreneurial ecosystem to help budding entrepreneurs realize their dream to start up their own enterprises. It refines the entrepreneurial skills like idea generation, opportunity evaluation, business modeling, cash flow, forecasting, negotiation & sales skills through hands on training programs, mentoring and campus startups

About College

The dawn of globalization, liberalization and privatization in India gave impetus not just to the much-needed economy but also to technical education. India can now boast of having the third largest pool of scientific and technical manpower in the world. The network of technical institutions which now span the country came into being in the 1990's. At present India is a leading force to reckon with in the fields of Software industry, Space science, Biotechnology, Nuclear science. At Dr.V.R.K.Women's College Of Engineering And Technology (DRVRKW), we keep that light of the nation ablaze. The institution, ever since its foundation in 2002 is in the constant pursuit of keeping high and self-imposed standards of excellence. QUALITY, MODERNITY AND HIGH DEGREE OF SCIENTIFIC TEMPERAMENT pervade every facet of the institution, be it technical education, laboratories, or infrastructure facilities. The campus is the abode of discipline, harmony and intellectual pursuit and abuzz with intense academic activity.

About EDC

Entrepreneurship Development Cell strives to inspire and integrate a culture of innovation through a conducive entrepreneurial ecosystem to help budding entrepreneurs realize their dream to start up their own enterprises. It refines the entrepreneurial skills like idea generation, opportunity evaluation, business modeling, cash flow, forecasting, negotiation & sales skills through hands on training, programs, mentoring and campus startups
