Action Taken Report and Achievement Report

S.NO	ACTION TAKEN	ACHIEVEMENT
1.	Plastic Free Campus	Plastic free activities have helped to reduce plastic usage across campus. Through awareness of plastic free campus activities students, staff and administration adopted sustainable practices. And also it is monitored that no plastic bags are used by the students and staff as well.
2.	Tree Plantation Activities	Tree plantation is carried out in campus from time to time. This has helped in successfully planting and nurturing trees on campus improving the air quality, reducing pollution, and beautification of the campus.
3.	Minimum Use Of Papers	Paper usage has reduced, as no unnecessary prints are taken by staff. Wherever possible, both sides of papers are used as well as rough papers are used.
4.	Cleanliness Drive	Campus and building is always maintained in a clean state. Regular cleaning is done by the assigned staff. Besides, cleanliness drive has helped instill a sense of importance of cleaning and hygiene in students

PLASTIC FREE CAMPUS

Dr. VRK Women's College of Engineering and Technology has implemented several initiatives to create a plastic-free campus environment. The college has organized awareness workshops and seminars to educate students and staff about the harmful effects of plastic pollution. Additionally, reusable alternatives such as cloth bags, steel bottles, and biodegradable materials are encouraged across campus. Recycling bins are strategically placed to segregate waste effectively. The college promotes sustainable practices by reducing single-use plastic items in canteens, events, and daily operations.
