INSTITUTIONAL FREESHIP POLICY

The founder and promoter of Dr. V.R.K Women's college of Engineering and Technology, Dr. MD. Vizarath Rasool Khan laid foundation for this institution to empower the socially, economically weaker section through quality education. The college management strongly believes in nurturing and encouraging the brightest minds.

To acknowledge high potential academic achievers and to provide educational opportunity to vulnerable students the college management is offering freeships scholarships (Exemption of Fee Payment) par/full academic fee for the entire duration of the program.

Eligibility:

- The fee concession will be to the extent of tuition fee /term fee /development fee. However the management reserves the right to amend the said rules as and when required.
- If the student is availing fee concession facility, then eligibility would be decided on the basis of performance of the student in the previous / qualifying examination and economical condition of the parents. During subsequent years the fee concession facility would be continued subject to the improvement in academic performance of the student in the class for which fee concession was offered.
- The quantum of concession in the fee is based on the annual income of the family from all sources.

Note: Final decision will be at the recommendation of Management.

INSTITUTIONAL FREESHIP POLICY

The founder and promoter of Dr. V.R.K Women's college of Engineering and Technology, Dr. MD. Vizarith Rasool Khan laid foundation for this institution to empower the socially, economically weaker section through quality education. The college management strongly believes in nurturing and encouraging the brightest minds.

To acknowledge high potential academic achievers and to provide educational opportunity to vulnerable students the college management is offering freeships scholarships (Exemption of Fee Payment) par/full academic fee for the entire duration of the program.

Eligibility:

- The fee concession will be to the extent of tuition fee /term fee /development fee. However the management reserves the right to amend the said rules as and when required.
- If the student is availing fee concession facility, then eligibility would be decided on the basis of performance of the student in the previous / qualifying examination and economical condition of the parents. During subsequent years the fee concession facility would be continued subject to the improvement in academic performance of the student in the class for which fee concession was offered.
- The quantum of concession in the fee is based on the annual income of the family from all sources.

Note: Final decision will be at the recommendation of Management.

INSTITUTIONAL FREESHIP POLICY

The founder and promoter of Dr. V.R.K Women's college of Engineering and Technology, Dr. MD. Vizarath Rasool Khan laid foundation for this institution to empower the socially, economically weaker section through quality education. The college management strongly believes in nurturing and encouraging the brightest minds.

To acknowledge high potential academic achievers and to provide educational opportunity to vulnerable students the college management is offering freeships scholarships (Exemption of Fee Payment) par/full academic fee for the entire duration of the program.

Eligibility:

- The fee concession will be to the extent of tuition fee /term fee /development fee. However the management reserves the right to amend the said rules as and when required.
- If the student is availing fee concession facility, then eligibility would be decided on the basis of performance of the student in the previous / qualifying examination and economical condition of the parents. During subsequent years the fee concession facility would be continued subject to the improvement in academic performance of the student in the class for which fee concession was offered.
- The quantum of concession in the fee is based on the annual income of the family from all sources.

Note: Final decision will be at the recommendation of Management.

INSTITUTIONAL FREESHIP POLICY

The founder and promoter of Dr. V.R.K Women's college of Engineering and Technology, Dr. MD. Vizarath Rasool Khan laid foundation for this institution to empower the socially, economically weaker section through quality education. The college management strongly believes in nurturing and encouraging the brightest minds.

To acknowledge high potential academic achievers and to provide educational opportunity to vulnerable students the college management is offering freeships scholarships (Exemption of Fee Payment) par/full academic fee for the entire duration of the program.

Eligibility:

- The fee concession will be to the extent of tuition fee /term fee /development fee. However the management reserves the right to amend the said rules as and when required.
- If the student is availing fee concession facility, then eligibility would be decided on the basis of performance of the student in the previous / qualifying examination and economical condition of the parents. During subsequent years the fee concession facility would be continued subject to the improvement in academic performance of the student in the class for which fee concession was offered.
- The quantum of concession in the fee is based on the annual income of the family from all sources.

Note: Final decision will be at the recommendation of Management.

INSTITUTIONAL FREESHIP POLICY

The founder and promoter of Dr. V.R.K Women's college of Engineering and Technology, Dr. MD. Vizarath Rasool Khan laid foundation for this institution to empower the socially, economically weaker section through quality education. The college management strongly believes in nurturing and encouraging the brightest minds.

To acknowledge high potential academic achievers and to provide educational opportunity to vulnerable students the college management is offering freeships scholarships (Exemption of Fee Payment) par/full academic fee for the entire duration of the program.

Eligibility:

- The fee concession will be to the extent of tuition fee /term fee /development fee. However the management reserves the right to amend the said rules as and when required.
- If the student is availing fee concession facility, then eligibility would be decided on the basis of performance of the student in the previous / qualifying examination and economical condition of the parents. During subsequent years the fee concession facility would be continued subject to the improvement in academic performance of the student in the class for which fee concession was offered.
- The quantum of concession in the fee is based on the annual income of the family from all sources.

Note: Final decision will be at the recommendation of Management.

The circular stamp contains the text: MANAGEMENT, DR. V.R.K WOMEN'S COLLEGE, OF ENGINEERING AND TECHNOLOGY, AZIZNAGAR (V), MOLNABAD (M), R.R. DIST. 500 075 - T.S.
