Department of Electronics and Communication Engineering

Summary Report

On

Seminar on 5G Wireless Network & a Glimpse of 6G

The Faculty Development Program on “5G Wireless Network with a Glimpse of 6G” for ECE department faculty has been successfully been conducted at *Dr VRK Women’s College of Engineering and Technology, Aziz Nagar*. The program was conducted from *02-03-2020 to 06-03-2020* by ECE department for the academic year 2020-2021.

This program is conducted to enrich the knowledge of faculty of CSE & ECE department in the field “Wireless Networks” by: **Dr. C Senthil Singh, Prof-ECE / Dr VRKWCET**. Total 6 faculty attended and feedback was collected from them. It gives a high impact on faculty career. I thank Management, Director, Principal, Vice-Principal and Faculty of Dr VRKWCET for successful completion of the program and special thanks to the resource person of the program. I thank technical staff and volunteers for their support.

ABOUT DR. V.R.K. WOMEN'S COLLEGE OF ENGINEERING & TECHNOLOGY

The dawn of globalization, liberalization and privatization in India gave impetus not just to the much needed economy but also to technical education. India can now boast of having the third largest pool of scientific and technical manpower in the world. The network of technical institutions which now span the country came into being in the 1990's. At present India is a leading force to reckon with in the fields of Software industry, Space science, Biotechnology, Nuclear science.

DR. V.R.K. Women's College of Engineering and Technology (DRVRKWCET) we keep that light of the nation ablaze. The institution, ever since its foundation in 2002 is in the constant pursuit of keeping high the self imposed standards of excellence. Quality, Modernity and High Degree of Scientific Temperament pervade every facet of the institution, be it technical education, laboratories or infrastructure facilities. The campus is the abode of discipline, harmony and intellectual pursuit and a buzz with intense academic activity.

Highly qualified fraternity, sprawling campus, state-of-the-art laboratories, well equipped library, spacious playground and above all ever enthusiastic management make DR. V.R.K. Women's College of Engineering and Technology (DRVRKWCET)

ABOUT HUMANITIES AND SCIENCES

The department has been rated very high in academic Circles. The graduates from this department include many renowned technocrats, researchers and academicians working all over the world. The department provides a platform for the faculty and students of engineering colleges in the country to Pursue their interest in basic and applied research. The Department conducts various conferences, seminars and Workshops on frontier areas of research in technical institution in India
